Restaurant ANDRE World's #68 Best Restaurant 2012

Last year, six months after opening, Restaurant ANDRE was recognized as World's #100 Best Restaurant. This year, we are delighted to announce that we have been ranked the **World's #68 Best Restaurant 2012**.

"This award is dedicated to my enduring team. I am deeply honoured to receive this recognition with a sense of heartfelt gratitude. Sharing new flavours and creations with my friends is my biggest pleasure; it would not have been possible without their support and encouragement" commented Chef Andre just after the result.

Since its opening in 10th October 2010, Restaurant ANDRE has made a memorable impression in the Singapore culinary scene. We have been featured in the New York Times as one of "10 Restaurants Worth a Plane Ride", "Best of the Best" by Robb Report USA, whilst Wallpaper magazine listed chef Andre as one of the "World's Best Young Chefs".

This coming May, Restaurant ANDRE is introducing his brand new Octaphilosophy Spring Collection 2012. Chef Andre was inspired by the controversial *Le Dejeuner sur l'Herbe* painted by Edouard Manet in 1863. The painting depicts two young couples enjoying their picnic by the river in the early spring. With this new collection chef Andre will recreate the atmosphere of this great impressionist's masterpiece, a scene with seasonal ingredients prepared on a bed of fresh grass. Among his ingenious dishes are "*Wild rock fish baked in tree bark & pine*" and "*Capsule of Spring Chlorophyll*"; a creation

made from eight wild herbs pressed into liquid, frozen and concealed in capsules to liberate their pure essence and tastes of spring onto the palate.
